No. MCA/OnlineReg appl /eligibilitytest / extension /053 /2022

Date: 30/04/2022

Notice

The registration process for the acupuncture professionals who have passed eligibility test is underway. Online Submission of registration application for these professionals was arranged during 17th March 2022 till 30th April 2022.

However, it has been brought to the notice of the council that some of the professionals could not register their online registration application due to technical difficulties or their personal reasons.

Taking into consideration the technical difficulties, council has decided to extend the date for submission of registration application till 10th May 2022. All eligible professionals those who could not submit the online registration application are requested to submit the same immediately. No further extension will be given, please note.
